

Bridging Programs: IEN Course Consortium

IEN Course Consortium Information Session:

The Ontario Internationally Educated Nurses Course Consortium has developed a hybrid model, two-year competency-bridging program of study to help prepare internationally educated nurses to launch their registered nursing careers in Ontario.

This information session will provide an overview of the courses and answer questions related to this bridging program opportunity.

Learning Topics:

- Program eligibility criteria
- Overview of program components and courses
- Application process and participant expectations
