

## Professional Growth: Developing Your Career

### Career Directions Information Session:

WeRPN, The Registered Practical Nurses Association of Ontario, offers a unique online learning program, 'Career Directions', to support RPNs as they build their nursing careers.

This information session will provide an overview of the program and answer questions related to this bridging program opportunity.

### Program Highlights:

- Review and reflect on your career to date
- Learn strategies to assist in making future career decisions
- Develop skills to formulate a career plan
- Access additional resources to support your professional growth
