

Financial Support: Accessing Funding

Accessing Bursaries, Scholarships and Loans Workshop:

Do you need help in paying for your books, courses, exams and registration fees?

There are significant opportunities to access financial support to help cover the costs associated with being a licensed nurse in Canada. In this workshop, you will gain insights into different sources of funding, including bursaries, scholarships and loans.

Learning Topics:

- An overview of organizations providing bursaries and loans
- Details from organizations providing loans to help internationally-trained professionals
- funding programs for immigrants and refugees continuing their careers in Canada
