

# Nursing Knowledge: Indigenous Health

## The Indigenous Health Workshop for IENs:

In this 2-part workshop, you will begin by engaging with an overview of the history, cultures, rights and health needs of Canada's Indigenous communities.

There is grave and crucial concern in Canadian society regarding the health and wellbeing of our indigenous people. This webinar will enhance your understanding of the current situation and the issues specific to Indigenous health care.

## Learning Objectives:

- To provide an overview of the history of Indigenous, Inuit & Metis people in Canada
- To discuss legislation and its impact on the health of Indigenous, Inuit & Metis people
- To understand the context for current health issues experienced by Indigenous, Inuit & Metis people in Canada
- To further explore the role of nursing in caring for Indigenous, Inuit & Metis people
