

Job Fairs

Career Opportunities for RNs, RPNs, and PSWs

CARE Centre for IENS is pleased to partner with various employers and healthcare facilities to bring potential job opportunities to our clients.

CARE Centre hosts recruitment professionals from hospitals, home healthcare providers, community agencies and more.

Job Fairs are opportunities to:

- learn about the employer, service model and population served
- access details on roles available, benefits and salary
- understand job requirements: qualifications, hours, training
- engage with recruiters, with potential for on-the-spot interviews

**Check out our website Events page and Facebook
for upcoming opportunities!**
